1. Who can see what I'm doing today, moving my mine from one place to another? Who can see what I've brought forth while in London proper (1) and now moving to suburb one? Who can see the millions of booklets, leaflets not, but booklets that now arrive by carload/truckload and disseminated are among brethren. I love you. Millions.

2. Watch me/us win the favor of millions, not; but be determined by man, not; bring forth surrender in multitudes, healing the sick and casting out devils not few. I love you fearless.

3. Who can see what I'm doing now with surrendered one, surrendering surrender to surrender become, to forthwith surrender all who want me to surrender one, surrendering to father: me. I love you. Surrender to surrender; my kingdom works like that, in ultimate meekness, love. I love you all.

4. This the beginning of something new, cataclysmic, divisive yes. One shall be taken, the other left. Two in the field, three in bed, five in a family, and who can imagine the division suffered coming about at light speed. I love you suffering one not, surrenderers, yea all, in every trial thought, all of you/mine; and all are. You came through me, every one of you'n's. I love you every one.

5. **See me now in you fully'd, fully, fullness of me replete in you,** not shadowed, limited; a voice behind a shadow not, but in front of light, overhead, my beloved son in whom I am well pleased, daughter of mine, boys and girls; see me hear me feel my love, ecstaticness with you each as you quest into me to know me, be my Christ. Christians not; Christ adherers not; Christ bearers, all these not only but yea yes and who can Christ become. Thank you. You my friend, all of you who will/surrender will. I love you all.

Footnotes:

(1) I've written four booklets of The New Beginning Series completely while here and completed much of the fifth booklet.

(2) Mat 10:34-37 Jesus said, "Do not suppose that I have come to bring peace to the earth. I did not come to bring peace, but a sword. For I have come to turn "'a man against his father, a daughter against her mother, a daughter-in-law against her mother-in-law. A man's enemies will be the members of his own household.' "Anyone who loves his father or

mother more than me is not worthy of me; anyone who loves his son or daughter more than me is not worthy of me.
